President's Message

Greetings Fellow Homebrewers,

Happy March,

I'm writing this just after another successful Big Brew at Ten Mile Brewing. Thanks to Josh for putting it together and to Dan and Jesse for hosting us. A great time was had by all on a very early, rainy Saturday morning. I look forward to trying everyone's take on this Belgianish blond type beer. We're hoping to follow up with a Big Brew bottle share at Ten Mile in the future and hopefully some of us will be pouring the beer at the Fest.

Next up, as discussed earlier, March is election season. I will be running for President one more time, hopefully I've done an OK job. The other positions to be voted on are VP, Treasurer, Secretary, and Webmaster. If you have any interest be sure to have someone nominate you.

Finally, we have a lot of events coming up. First off, this Thursday night is the next of our monthly Thirsty Thursdays at Belmont Brewing Company, I hope to see you all there. April will be at Brouwerij West on a date TBD.

Also, Fest is fast approaching, we'll start collecting money for shirts at the Tuesday meeting, \$20 each with both a guys and girls style. You can also pay via PayPal, the plan is to have the shirts ordered and ready for the April meeting, a final date to reserve a shirt is TBD. Don't forget the club will reimburse \$20 for a keg brought to Fest (one/per person) so get brewing. We will be having a Hazy IPA theme on the mushroom for Saturday so all you hazy brewers get busy.

And don't forget, we'll be doing a trailer cleanup/setup day on Sunday the 25th at the Silvertooth residence, I hope to see a lot of you there.

(PS: dues are due. Ed)
